### **Cases Involving Legal Matters**

Therapy cases that involve the legal system typically require a substantial amount of time apart from the clinical hour. There is the need for consultation with professionals including other therapists, attorneys, etc. Typically, there are numerous emails and other documents to review as well. Therefore, the following fee schedule exists for those cases. Time is prorated according to the hourly rate.

Consultation with ancillary persons	\$160.00 per hour
Reading emails and other documents	\$160.00 per hour
Writing Court letters	\$160.00 per hour
Preparation for Court testimony	\$160.00 per hour

In some cases, a single Case Management Fee may be preferable to the above list of charges.

The fee to appear in court is not included in the Case Management Fee. It is a base rate of \$900.00 to appear whether or not I am called to testify. If I am required to remain longer than 2 hours, each additional hour is charged at the rate of \$300.
